

illuminating and supporting socially engaged artists and the causes they champion

Dear Volunteer,

Thank you for your interest in the Lamp Project. We are a newly formed organization with the mission of illuminating and supporting socially engaged artists and the causes they champion, while building around them a community of compassionate art lovers and problem-solving institutions united in the goal of positive change. Through writing, images, audio and video, we shine a light on the labors and passions of creative people working to improve the world around them and on the organizations they support.

We need your help for all of this to be possible. The Lamp Project is a not-for-profit organization on the path to 501(c)(3) status. All work is done on a voluntary basis. Enclosed you will find the volunteer application form required to register as a volunteer with us.

Please submit the form below to our Volunteer Coordinator Ao Tang at ao.tang@thelampproject.org. Please allow three days to process your volunteer request. Upon completion, we will then direct you to the appropriate person within our organization.

Thank you again for your interest. We welcome your questions or comments at ao.tang@thelampproject.org or (213)-618-6022.
